

MATER Series

Porcelain / Colours + Decor

MATER is a porcelain stoneware collection, crafted in Italy using 60% recycled materials. Through a special glazing process that fuses with the red clay body during firing, it produces richly textured surfaces full of character and depth. The seven deep, earthy tones emerge from the natural reaction between glaze and oxides, evoking the charm of 1970s ceramics—both in look and format—reinterpreted for contemporary interiors. Ideal for floor and wall applications, MATER offers a sustainable yet expressive design solution.

Note: Approx Lead Time 10-14 Weeks.
