

TUSCANA Series

Porcelain / Travertine-look

TUSCANA embodies the essence of good design by harmoniously blending the old with the new. For centuries, travertine has been a trusted building material, and when vein-cut, it reveals its signature linear veining—timeless, elegant, and highly sought after. The series elevates this classic appeal with a contemporary finish, offering the ideal balance of anti-slip functionality and a refined, smooth touch.
