

TRAVEX Series

Porcelain / Stone-look

For over two millennia, travertine has been a central figure in art and architecture—a timeless icon with a distinct, unmistakable character. Even today, its enduring charm continues to inspire and captivate designers across the globe.

TRAVEX reimagines the classic stone through a complete surface system, expanding its aesthetic and design possibilities. With a refined reinterpretation of its graphics and tones, it unites the timeless beauty of travertine with the exceptional performance, versatility, and functionality of porcelain stoneware—making it a truly cosmopolitan design solution for modern spaces.
